Tyre and tube damage	At 50% of replacement cost if concurrent vehicle damage present	Tyres and tubes only

CHAPTER 2. DEPRECIATION SCHEDULE

Standard depreciation applies to parts replaced, except where the Nil Depreciation Add-On (Chapter 5) applies:

Age of Vehicle	% of Depreciation
Not exceeding 6 months	Nil
Exceeding 6 months but not exceeding 1 year	5%
Exceeding 1 year but not exceeding 2 years	10%
Exceeding 2 years but not exceeding 3 years	15%
Exceeding 3 years but not exceeding 4 years	25%
Exceeding 4 years but not exceeding 5 years	35%

Exceeding 5 years but not exceeding 10 years	40%
Exceeding 10 years	50%

Glass components carry nil depreciation as standard, regardless of vehicle age.

CHAPTER 3. EXCLUSIONS

3.1 Panel and Dent Exclusions

- Dents arising from hail where the vehicle was left uncovered in an open area against a forecast severe weather warning issued by the meteorological authority.
- Panel damage resulting from the vehicle being used to tow a load exceeding the manufacturer's towing capacity specification.
- Dents or deformations on fuel filler caps, aerial housings, or other minor projections not forming part of the main body panel.
- Body panel damage from shopping trolley impact in private parking facilities where the insured had parked against the facility's instructions.
- Pre-existing dents and panel deformations recorded in the pre-policy inspection report.

3.2 Scratch Exclusions

- Scratches from improper car wash technique, including dry wiping or use of coarse sponges, constituting owner-induced damage.
- Paint keying or scratching by the insured or members of the insured's household.
- Surface marks on plastic bumpers from minor parking manoeuvres.
- Scratches inside the vehicle load bay or boot area from carrying luggage or goods.
- Chemical etching from bird lime, insect residue, or industrial fallout.

3.3 Crack Exclusions

- Cracks in the engine block, cylinder head, or differential casing, unless caused by a primary accidental external event that is separately claimed.
- Cracks in interior plastic trim, dashboard, or door card material from thermal or UV degradation.
- Stress fractures in suspension components from prolonged use on poor roads.
- Cracks in aftermarket bodywork additions, spoilers, or ground effects kits not part of the manufacturer's original specification.
- Fractures in tow bars or roof-mounted cycle or ski racks.

3.4 Lamp Exclusions

- Electrical failure of lamp control modules or LED drivers without physical damage to the lamp housing or lens.
- Damage to decorative or customisation lighting not forming part of the vehicle's regulatory lighting system.
- DRL (Daytime Running Light) malfunction not associated with an accident.
- Lamp damage on a second vehicle involved in the same incident, payable instead from the third-party liability section.
- Corrosion of lamp contacts or connectors from moisture ingress through an undamaged seal.

3.5 Glass Exclusions

- Glass damage on a vehicle registered as a commercial goods carrier under a different class of insurance.
- Tinting films, privacy glass coatings, or heat-rejection treatments applied to the original vehicle glass.
- Laminated windscreen separation or delamination from age or manufacturing defect, recoverable under warranty.
- Sunroof glass breakage unless the Sunroof Add-On is endorsed on the Schedule.
- Glass scratches from windscreen wiper blades operating on a dry screen.

3.6 Tyre Exclusions

- Tyre damage from deliberate spiked road obstacles (road spikes) in a disputed ownership or legal proceeding situation.
- Damage to speciality or competition tyres not approved for road use under Central Motor Vehicles Rules.
- Tyre damage from use of incorrect tyre size not conforming to vehicle type approval.
- Gradual loss of tyre pressure from micro-porosity without a definable puncture event.
- Damage to tyre foam inserts or run-flat inserts not covered as standard tyres.

CHAPTER 4. DEDUCTIBLE AND IDV

Compulsory deductible: Rs. 2,500 per claim occurrence.

Optional voluntary deductible: Rs. 2,500 / Rs. 5,000 / Rs. 10,000 for corresponding premium discount.

Age of Vehicle	% of Depreciation
Not exceeding 6 months	5%
Exceeding 6 months but not exceeding 1 year	15%

Exceeding 1 year but not exceeding 2 years	20%
Exceeding 2 years but not exceeding 3 years	30%
Exceeding 3 years but not exceeding 4 years	40%
Exceeding 4 years but not exceeding 5 years	50%

CHAPTER 5. PREMIUM ADD-ON COVERS

Add-On A: Nil Depreciation

Available for vehicles up to 5 years old. No depreciation is charged on parts replaced during a partial loss claim, subject to maximum two claims per policy year.

Add-On B: Return to Invoice

In the event of Total Loss or theft with no recovery, the claim is settled at the original on-road price (ex-showroom plus taxes and registration) rather than the depreciated IDV.

Add-On C: Consumables Cover

Consumable items including engine oil, coolant, AC gas, nuts, bolts, and sealants replaced during an admissible partial loss repair are covered, subject to a limit of 1% of IDV or 5% of the claim amount, whichever is lower.

CHAPTER 6. CLAIMS

- Intimate within 24 hours at our helpline or via the mobile app.
- A virtual survey option is available for claims under Rs. 30,000.
- Cashless repair available at 4,200+ network garages nationwide.
- Claim decision within 5 working days of survey completion.
