VALUEMOTOR COMPREHENSIVE MOTOR POLICY

Affordable Comprehensive Own Damage and Third Party Cover

Thank you for choosing ValueMotor Comprehensive Insurance. This document explains what is and is not covered under your policy. Please read it carefully and keep it safe.

1. WHAT YOUR POLICY COVERS

Your vehicle is covered for loss or damage caused by:

- Fire, explosion, or lightning strike.
- Theft or attempted theft.
- Riots, strikes, or acts of terrorism.
- Natural disasters: floods, cyclones, earthquakes, hailstorms.
- **Accidental collision or impact** — loss or damage caused by your vehicle colliding with another vehicle or object, resulting in dents to the vehicle body, bumpers, or wheel arches.
- **Cosmetic damage from accident or vandalism** — scratching, keying, or paint abrasion caused by an identifiable accidental or malicious event.
- **Cracking or fracturing of exterior components** by accidental means — this includes cracks in bumpers, door panels, trims, and sills caused by impact.
- **Breakage of headlight, taillight, or indicator units** by accident or collision during the policy period.
- **Glass damage without depreciation deduction** — your windscreen, rear windscreen, and door windows are covered at full replacement cost as standard.
- **Tyre and tube damage at 50% of replacement cost**, only when the vehicle has also been damaged in the same incident.
- Damage in transit by road, rail, or water.
- Landslide or rockslide damage.

2. HOW DEPRECIATION WORKS

When a part is replaced, we deduct a percentage for depreciation based on your vehicle's age, except for glass (always nil depreciation):

Age of Vehicle	% of Depreciation
Not exceeding 6 months	Nil
Exceeding 6 months but not exceeding 1 year	5%
Exceeding 1 year but not exceeding 2 years	10%
Exceeding 2 years but not exceeding 3 years	15%
Exceeding 3 years but not exceeding 4 years	25%
Exceeding 4 years but not exceeding 5 years	35%

Exceeding 5 years but not exceeding 10 years	40%
Exceeding 10 years	50%

Rubber, plastic, tyre, battery, and airbag parts: always 50% deduction.

Glass parts: always nil deduction. You get the full replacement cost.

3. WHAT IS NOT COVERED

These situations are excluded from your ValueMotor policy:

3.1 General exclusions

- Wear and tear, gradual deterioration, or mechanical and electrical breakdown.
- Damage caused while the driver was under the influence of alcohol or drugs.
- Loss outside the geographical area stated in your Schedule.
- Use of the vehicle in violation of your permit conditions.
- Driving without a valid driving licence.

3.2 Dent and body panel exclusions

- Dents caused by you or a family member driving the vehicle deliberately into a gate, pillar, or fixed structure.
- Panel deformations from overloading the vehicle's roof, boot, or tow bar beyond the permitted weight limit.
- Pre-existing dents noted at pre-policy inspection and documented in the Inspection Report at policy inception.
- Dents in the vehicle's undercarriage, floor pan, or chassis members that are not visible from the exterior.
- Minor parking contact marks on bumpers from very low-speed manoeuvres in private parking where no reportable event occurred.

3.3 Scratch and paint exclusions

- Paint scratches from automatic car wash equipment with worn or dirty brushes.
- Surface oxidation, paint fade, or chalking from prolonged UV exposure.
- Chemical paint damage from acid rain, industrial fallout, or bird droppings not linked to a sudden identifiable event.
- Boot lid or sill scratches from loading and unloading luggage and goods.
- Scratch damage to the interior of the vehicle including seats, dashboard, and door cards.

VALUEMOTOR COMPREHENSIVE INSURANCE LTD

UIN: IRDAN005RP0001V01202425

3.4 Crack exclusions

- Cracks in the engine block or cylinder head, unless arising directly and solely from an insured external impact covered under Section 1.
- Hairline cracks in laminated glass that do not impair the driver's vision and do not develop into full fractures within the policy period.
- Cracks in aftermarket accessories or non-standard body additions.
- Dashboard or interior trim panel cracks from heat, UV, or age-related material degradation.
- Fractures in tow ball assemblies, roof bars, or cycle carriers.

3.5 Lamp exclusions

- Lamp failure from bulb burnout, filament failure, or blown fuse, without any physical damage to the lamp body or lens.
- Condensation damage to lamp internals through an undamaged seal.
- Lighting modifications or aftermarket lights not approved by the manufacturer.
- Corrosion of lamp connector pins or wiring from moisture over time.
- Damage to daytime running lights (DRL) or ambient interior lighting not forming part of the vehicle's mandatory regulatory lighting.

3.6 Glass exclusions

- Sunroof glass damage unless specifically endorsed on your Schedule.
- Replacement of tinted privacy film, UV coating, or decorative film applied to vehicle glass.
- Windscreen wiper-induced scratches on tempered glass where the wiper blade was damaged or worn at the time.
- Glass damage on a vehicle declared as a commercial vehicle or hired-out vehicle in the Schedule.
- Repair-only windscreen claims where the chip or crack is small and repairable rather than requiring full windscreen replacement.

3.7 Tyre exclusions

- Tyre deterioration, tread wear, or sidewall cracking from age and use.
- Tyre damage when the vehicle was driven knowingly on a flat or underinflated tyre for a distance exceeding 2 km.
- Damage to non-standard tyres, including competition tyres or oversized tyres not conforming to the vehicle's type approval.
- Tyre valve cap or core damage alone, without tyre body damage.
- Tyre damage from use of the vehicle in rallying, track days, or any competitive motorsport event.

4. YOUR EXCESS (DEDUCTIBLE)

You pay the first Rs. 1,000 of each claim. This is your compulsory excess. You cannot insure this amount with us or any other insurer.

5. INSURED DECLARED VALUE AND TOTAL LOSS

The IDV is your vehicle's sum insured. It is based on the manufacturer's ex-showroom price reduced for age:

Age of Vehicle	% of Depreciation
Not exceeding 6 months	5%
Exceeding 6 months but not exceeding 1 year	15%
Exceeding 1 year but not exceeding 2 years	20%
Exceeding 2 years but not exceeding 3 years	30%
Exceeding 3 years but not exceeding 4 years	40%
Exceeding 4 years but not exceeding 5 years	50%

If your repair cost exceeds 75% of the IDV, we will settle your claim as a Total Loss and pay you the IDV less any salvage value.

6. NO CLAIM BONUS

Your claim history	Your NCB discount
1 claim-free year	20%
2 claim-free years	25%
3 claim-free years	35%
4 claim-free years	45%
5+ claim-free years	50%

Your NCB resets to 0% if you make a claim in any year.

7. HOW TO CLAIM

- Call our helpline or use the app within 24 hours of the accident.
- Take photos of the damage before moving the vehicle if it is safe to do so.
- Get a repair estimate from a garage and share it with us before repairs start.
- We aim to complete survey and approve repairs within 2 working days.
- Cashless repair is available at our network garages.

8. THIRD PARTY COVER

We provide compulsory third-party liability cover as required by the Motor Vehicles Act. This covers you for legal liability arising from death of or injury to a third party, or damage to third-party property, caused by use of your vehicle.

9. GENERAL EXCEPTIONS

This policy does not cover any claim arising from war, nuclear risk, use of the vehicle in violation of permit conditions, or operation outside the specified geographical area.

This is a synthetic specimen policy document created for AI research and educational purposes only. This document does not constitute a valid, binding, or enforceable insurance contract.
